

Dear Parents:

The Knights of Columbus thank you for allowing your child to enter the 2011-12 Religious Vocations Awareness in Schools Poster Contest. As we would like to publish the winning entries in Knights and Calgary Diocesan sponsored web sites and articles including the Carillon (The Bishop's monthly news magazine), we would like to give credit to the artists by also publishing their names.

Respecting the Alberta Freedom of Information and Privacy Protection Act, we ask you to please sign below giving your consent to your child's winning entry, their name, grade and school name being used in the Carillon and on web sites to publicly congratulate our winners.

Note that The Carillon is posted to the internet as a .pdf file on the Roman Catholic Diocese of Calgary Web Site on the internet for two months and then removed.

Please check one of the following, if acceptable and sign below:
